

VIENNA DESIGN WEEK

WELCOME TO MIXER!

Do you want to present your programme at VIENNA DESIGN WEEK 2025, but don't yet have a suitable location?

The new **Mixer** format offers you the unique opportunity to be connected with a location in the city and present your work to an **international audience**. This audience includes designers, journalists, curators, interior architects, and other key opinion leaders in the creative scene.

We are looking for Austrian and international players from the fields of **product, furniture, textile, graphic and industrial design** who would like to exhibit their projects at VIENNA DESIGN WEEK 2025 (26.9.- 5.10.2025). Whether **hotels, restaurants, bars, showrooms, stores or studios** – the VIENNA DESIGN WEEK curatorial team will review your application and match you with a suitable location. This eliminates the time-consuming search for a suitable exhibition venue and possible rental costs.

Become part of our community and benefit from our many years of expertise in the fields of **marketing, PR and strategy**.

An application for Mixer is required to ensure that participants' contributions are of the highest quality. The application form is [linked here](#). The Open Call ends on **1 June 2025 at 24:00 (CET)**.

PRESENT YOUR PROGRAMME IN A FRESH LIGHT

©VIENNA DESIGN WEEK/eSeL.at/Robert Puteanu

If you **have exciting content** and are **looking for a suitable location** in the city, Mixer is the perfect place for you. You will have the unique opportunity to present and communicate your programme to an engaged audience. A festival thrives on its **‘now-or-never’ character**. Convince our audience of your contribution, because it can only be experienced in this form during the festival period.

VIENNA DESIGN WEEK is not a trade fair, but a design festival that **celebrates the joy of design**, tells the **stories behind products** and emphasises the **beauty of designers' work**.

We carefully curate our programme to showcase the diversity of design and to question the evolving role of design. Sustainability, circularity, and social design take center stage, along with the active engagement of our community.

We therefore expect our Mixer participants to

1. Showcase a compelling exhibition, product presentation, installation, or similar at a selected location throughout the entire duration of the festival.*
2. Help shape the festival with their own supporting programme (e.g., workshop, talk, drinks).
3. Incorporate or address sustainable, circular, social, and critical aspects of design.

* There is also the possibility of exhibiting at our **Festival Headquarters 2025**. Due to the limited space available, this option is only available in selected cases. However, you are welcome to indicate your interest in the Festival Headquarters in your application.

VIENNA DESIGN WEEK

CONNECTING YOU WITH A LOCATION

A key element of the VIENNA DESIGN WEEK is the strong connection between design and urban space. We are pleased to offer successful applicants not only a platform for their projects, but also a suitable location. Thanks to our network of versatile partners, we can make extraordinary locations accessible – from inspiring showrooms and elegant hotels to unexpected, unconventional spaces. This variety allows each project to be presented in a unique context.

The VIENNA DESIGN WEEK works hard to provide all successful applicants with a suitable location for their presentation – be it an exhibition, installation or other format. Please note, however, that we cannot guarantee an ideal or specific location. If no suitable space can be found, we will make every effort to work together to find an alternative solution to enable the best possible realisation of the project within the framework of the festival.

If you would like to have a venue but do not yet have suitable content, please contact us by e-mail at a.f@viennadesignweek.at.

VIENNA DESIGN WEEK

WHAT DOES PARTICIPATION COST?

To be represented at Mixer in the VIENNA DESIGN WEEK programme, participants pay a fee of **€ 5,500 (excl. VAT)**.

You may be eligible for one of our discounts!

40% discount: € 3,300 (excl. VAT) – SMEs, cultural institutions, universities

80% discount: € 1,100 (excl. VAT) – young design studios, small organisations

* This fee contributes to the organisation of the festival and covers a share of the marketing, printed materials, website and editorial work as well as PR and project management.

The costs for a Mixer contribution are based on an independently organised and implemented programme item and a separate venue. Not included is the use of a space in the Festival Headquarters, which is only possible in selected cases due to the limited space available. Should you receive a space in the Festival Headquarters, the costs of use will be agreed separately.
